The membership of the Council in 1995 is given in the annex below. According to the rotation of the office of President among the regional groups, the President for 1995 should be the representative of a member of the Asian States group. The four Vice-Presidents of the Council shall be elected on the basis of equitable geographical distribution from the other four regional groups.

2. The President and the Vice-Presidents shall constitute the Bureau. The Council, upon the recommendation of the President, shall decide on the special responsibilities of each Vice-President.

3. Pursuant to Council resolution 1988/77, a meeting of the Council will be held on 18 January 1995 for the election of the Bureau.

Item 2. Adoption of the agenda and other organizational matters

4. Rule 13 of the rules of procedure of the Council provides that, at the beginning of each session, after the selection of the Bureau when required under rule 18, the Council shall adopt the agenda for the session.

5. The attention of the Council is drawn to annex II of General Assembly resolution 48/162, in particular section D, which sets out the agenda for the substantive session of the Council. The present provisional agenda has been prepared in conformity with the indications therein and with other relevant legislative decisions.

6. In addition to adopting the agenda, the Council may wish to consider under this item (a) endorsing the decision of the General Assembly, contained in its resolution 49/128 entitled "Report of the International Conference on Population and Development", that the Population Commission should be renamed the Commission on Population and Development and that it should meet on an annual basis, and (b) adopting the draft decision submitted by the Committee on Economic, Social and Cultural Rights.

Item 4. Committee for Development Planning

10. The Council, in its decision 1993/334, decided to consider the question of the Committee for Development Planning at its resumed substantive session of 1993. By its decision 1993/338, the Council decided on the dates for the twenty-ninth session of the Committee for Development Planning (12-14 January 1994). In its decision 1994/225, the Council took note of the report of the Committee and decided to transmit the Committee's recommendations concerning the list of the least developed countries to the General Assembly for approval.

11. The Council may wish to consider the question of the Committee for Development Planning at its organizational session for 1995.

Item 5. Transformation of the Committee on Food Aid Policies and Programmes of the World Food Programme into an Executive Board

12. In paragraph 30 of annex I to its resolution 48/162, the General Assembly decided that the same arrangements as those relating to the governing bodies of the United Nations Development Programme/United Nations Population Fund and the United Nations Children's Fund should apply to the Committee on Food Aid Policies and Programmes of the World Food Programme (WFP), and that consultations between the United Nations and the Food and Agriculture Organization of the United Nations (FAO) should be undertaken as soon as possible for this purpose, in view of the fact that WFP is an autonomous joint organ of both. This process should lead to the adoption of parallel resolutions by the General Assembly and the Conference of FAO.

13. At its thirty-seventh session, in May 1994, the Committee on Food Aid Policies and Programmes took up the matter of the implementation of General Assembly resolution 48/162. The Committee agreed that the implementation of the resolution was binding on the Committee and recalled that paragraph 30 of annex I to the resolution recognized that WFP was an autonomous joint organ of both the United Nations and FAO. The Committee decided to establish an open-ended working group, open to all Committee members and to the European Community as an observer, to consider and make recommendations on the changes to the WFP general regulations and rules of procedure which may be necessary in order to implement Assembly resolution 48/162.

14. The Working Group met on four occasions and submitted its report to the Committee on Food Aid Policies and Programmes at its thirty-eighth session, held in Rome from 12 to 16 December 1994. At that session, the Committee decided to recommend a draft resolution for consideration by the Economic and Social Council and the FAO Council.

It also decided to request the Secretariat to prepare a note that would respond to the various questions raised, including legal questions, as formulated by the President of the Council. In response to this request the Council will have before it a note by the Secretariat on the full participation by the European Community in the Commission on Sustainable Development.
